

# **Building Smarter when Building Affordable**

## **Affordable Housing is often:**

**Uncomfortable  
Short-lived  
Toxic  
Expensive to maintain**

## **but affordable housing can be:**

**Comfortable  
Durable  
Healthier  
Energy Efficient**

**This FREE workshop will cover what every CDC should know about how to build smarter, better homes. Come find out what Green Building is, and why it's the crucial next step for Community Development groups.**

**New financing incentives will be offered!**

**Monday  
November 20  
2 -4 pm**

**at Youthville  
7375 Woodward Ave.  
Detroit**

**Brought to you by:**
